**Attending** C.Wildman, N Heseltine, P.Wherity, M. Harrop, A. Bradley , M. Throup,

**Apologies** P.Dewhurst,S. Inman, D. Howlett. S.Myers

**Observing** M. and L Parker, M. Wilson, S.Stephenson, J. O'Neil

## Public questions

- MW asked about the right of way on the pavement outside The Old Barn Café. It's owned by the Old Barn Café but there is a right of way along it. Any pedestrian congestion here should be alleviated when the new traffic calming measures come into play.
- J.O'Neil asked about the possibility of having a Platinum Jubilee bench. It was thought that a Jubilee tree might be more in keeping as benches with plaques are not permitted. Jill is to investigate.

## Minutes of the last meeting

were approved by AB and seconded by NH

## Matters arising

CW has emailed Rob Ashford and Kate Hilditch to ask them if they will attend a future meeting.

It was decided not to install baby changing facilities in the toilets but to install a sign stating that facilities are available in the National Park Car Park.

## Council matters

Nothing new.

## Update from Councillor S.Myers

Not present but gave his apologies and confirmation that some funding for the proposed traffic calming scheme at the entrance to the village could come from his locality budget.

We have sourced another blue bin from Mr. Whittaker from Airton.

## YDNP

Sill no word about the, "Beware Falling Rocks" signage that was promised at Gordale. **CW to contact Rob Ashford**

## Social distancing measures in Malham Village , Highways and the Visitor Traffic

### Management Plan Highways and flooding

We are still awaiting the drawings for the traffic calming measures from David Cairns.

There are still cases of illegal parking, including by the ice cream van. The traffic warden has visited on at least one occasion.

### Planning

Nothing new.

### Finance

The mandate for closure of one of the PC accounts was signed by the chairman . The balance in the account and all standing orders and direct debits will be transferred to Account 1.

Currently we have **£28, 348 in acct 1** after paying £5 bank charges, £10 for the toilets rent and £300 towards the cost of producing the Platinum Jubilee mugs.

We have **£17242 available in Acct. 2** after receiving £7.00 via Tomato Pay and paying £19.38 for the electric bill, £63.38 for toilet rolls and £468.50 to Mi. Parker for 4 months of Lengthsman services.

We will need to review the income from the donation churns and the toilets when we will have the yearly figures available in line with our financial risk assessment.

Included in the Acct 2 total are reserved funds of which the Malham Initiative account has **£2,662**, the Malham Brochure **£1,314** and the tree fund **£40**

We have received thanks from Joyce Thacker for our contribution to the Jubilee mugs.

### **Lengthsman and toilets.**

The new soap dispenser has been installed, and the water saving device is working well. MP is to improve the splashbacks around the sinks, increasing their size. He will use a type of plastic boarding purposely designed for wet rooms. Takings from the toilet donation boxes, have been outstanding over the Jubilee weekend.

The 2 minute litter pickers have been well used.

***CW is to ask David Hargreaves*** to have a look at the broken cobbles near the toilets.
